Thanet Earth wins Prestigious Tesco Grower Award

Last night at the Tesco Grower of the Year Awards, Thanet Earth picked up the “Best Local Grower” award for supply this summer. Innovation, Quality and Service Record were highlighted as reasons for the judges’ decision.

All three Thanet Earth Grower businesses and the Thanet Earth Marketing Tesco Customer Team were there to receive the award in front of over 500 Tesco and supplier colleagues.

Thanet Earth was also nominated as 1 of 3 suppliers for Best Environmental Grower and our very own Hazel Akehurst, Thanet Earth’s Marketeer was also put forward by the Tesco buying team as a nomination for “Best Rising Star” of the produce business!

Congratulations to everyone in the Thanet Earth Marketing and Grower Teams. We are very proud to have received this accolade and it’s more recognition of the hard work going on day after day to deliver great products and great service to our customers.
